Dance Medicine for Professional Dancers

How professional dancers of all dance styles can care for themselves through practical implementation of dance medicine & science

Certified Online Course in English language
for Professional Dancers

with Judith-Elisa Kaufmann
www.judithelisakaufmann.com

Aim & Purpose

Not only in times of a pandemic, professional dancers benefit from own content knowledge on dance medicine & science. Such knowledge is power when it comes to questions such as

- ✎ How can I enhance my own performance?
- ✎ How can I myself contribute to preventing or healing my injuries?
- ✎ How can I plan my own training when nobody else is available?
- ✎ How can I prepare for the beginning of classes/rehearsals after vacation?
- ✎ What do I have to know about dance medicine & science that I can meet my own needs in my own dance style and profession?

Course

Classes and seminars in praxis and theory are held online
Course material and links are provided after registration is complete

Registration: apply at office@tanzpaedagogik.eu

Duration: 11 months (provided all courses are attended)

Volume: online seminars, practical workshops, final paper assessment (120 hours); own reading, writing and course preparation throughout the year (30 hours)

Costs: certified course € 999,- (incl. Workout 4 Dancers)
single days € 150,- (excl. Workout 4 Dancers)

Certification

After all classes were attended and the final paper (see below) met requirements, the course is certified through the Academy for Dance Pedagogy & Dance Medicine, Austria. Additionally, International Certification through the CID International Dance Council (UNESCO) can be achieved (minimum of 150 hours and CID membership required)

Final paper: Evidence-based reflections on a chosen topic, based on the input of the course and own study, which shows that the participant has acquired and can implement knowledge on dance medicine and science

Diploma Dance Pedagogy & Dance Medicine: A M&MB-certificate entitles to start the Diploma course for Preventive Dance Medical Dance Pedagogy® in the Academy for Dance Pedagogy & Dance Medicine, Austria, without admission procedure or audition.
